FINANCIAL POLICY AGREEMENT

Concerning Your Dental Benefits:

Dental insurance is a contract between you and the insurance company. Despite our efforts, there is no guarantee of benefits or reimbursement. As a courtesy, we will bill your insurance company on your behalf. If your insurance company has not made payment within 30 days, the outstanding balance becomes your responsibility.

Insurance co-payment and/or a deductible payment is the patient's responsibility. We verify insurance benefits as a courtesy to you. This is not a guarantee of payment from your insurance company. After your claim is processed, it is possible your balance will be different than our estimate.

If we are in-network with your insurance and your insurance does not cover the estimated portion, the patient is ultimately responsible for the full contracted fee. If we are out of network, the patient will be responsible for the full office fee minus any courtesy discounts offered.

Concerning Your Appointments:

We try to confirm appointments with a telephone call in advance as a reminder. Please return these calls or respond via text and/or email to hold your appointment day and time. If an appointment is cancelled with less than 48 hours' notice, a broken appointment fee of $50 will be charged to you for cancelling a visit scheduled with your dental hygienist. If the appointment was scheduled with a dentist the broken appointment fee will be $100. If the appointment was scheduled with the anesthesiologist, or another specialist, the broken appointment fee will be $400.

Other Billing Information
If you receive a bill in error, call our office to clarify your obligation. Returned checks or "insufficient funds" will be charged $35 per check.

Discounts:
We reserve the right to offer discounts for full treatment plan acceptance. If you decide to stop treatment before completion, you will be charged the full office fee for all services completed by the last appointment date. All discounts will be null.

Guaranty of Payment:
By signing below, I accept personal responsibility for the payment in full of my account.
